USAGE FEES, ADMISSIONS AND ROYALTIES

The board may permit the use of district facilities for civic and recreational purposes. A schedule of fees to be charged nonschool related groups for the use of school facilities for various events may be established and periodically reviewed by the board. This revenue shall be used for the purpose of furthering the educational opportunity of the district's students. All such transactions will be carried out in accordance with state law.

Although the board will avoid lease arrangements that involve it in property management activities, temporary use of surplus real property by another public agency, private individual, or other legal entity may be authorized by the board.

Such use will be for a fixed term and subject to regulations and written agreement designed to protect the school district from any expense, loss, or liability arising out of such use. These lease arrangements will be based on a sealed bid for no more than a three-year period, with the district retaining the right to redeem the property for school purposes, if necessary.

When an application for use of a particular school facility has been approved, responsibility for maintaining records and for collecting and remitting and/or disbursing fees will rest with the Superintendent of the specific school involved. The Superintendent will collect all fees from the user at the time the approved application is filed, and will make necessary arrangements for custodial services required.
