

## REPAIR, RENOVATION AND EXPANSION OF EXISTING FACILITIES

All school facilities will be periodically evaluated to determine if the facilities are meeting and will continue to meet the needs of the Doniphan-Trumbull Public School. The evaluation will be done at the direction of the Superintendent of Schools.

In addition to the inspections provided by other district personnel, planning for major rehabilitation and remodeling will be incorporated in the school facilities master plan on a scheduled basis. The major responsibility for this evaluation and inspection will be with the Director of Buildings and Grounds, under the direction of the Superintendent of Schools.
