

SCHOOL CLOSINGS AND CANCELLATIONS

In case of hazardous or emergency conditions, the superintendent may alter district and transportation schedules as are appropriate to the particular condition. Such alterations include closure of all schools, closure of selected schools or grade levels, delayed openings of schools and early dismissal of students.

When regular morning school bus routes cannot be run due to road conditions, yet travel in town is not seriously hampered, school may remain open. When possible a "limited service" bus route shall be run anytime school remains open and it is not possible to run regular routes.

The superintendent will develop and maintain such plans and procedures as are necessary to carry out alternate school and bus schedules.

At the beginning of each school year students, parents and staff will be informed of the procedures used to notify them in case of an emergency closure.
